41 - 50kg	480 - 520g	520 - 550g	550 - 530g	530 - 500g	500 - 470g
51 - 60kg	550 - 590g	590 - 620g	620 - 600g	600 - 570g	570 - 540g

* All dogs are different and the guidelines should be adapted to take into account breed, age, temperament and activity level of the individual dog. When changing foods please introduce gradually over a period of two weeks. Always ensure fresh, clean water is available.

KIBBLE SIZE

- Optimal kibble size and shape for large puppies.
- A crunchy kibble texture.

Grain Free Range

The **Grain Free** range includes a selection of the finest freshly prepared nutritious and highly digestible animal protein sources.

The range has been formulated with sweet potato and potato to be suitable for those with grain intolerance/sensitivity.

Why Salmon?

Salmon is naturally rich in omega 3 essential fatty acids which have anti-inflammatory properties and provide support for skin and coat condition and joint health.

Why Vegetables?

Carrots are a good source of Vitamin A which may help support eye health and vision. Peas are rich in vitamin K which plays a role in heart health, bone density and dental health.
