* All dogs are different and the guidelines should be adapted to take into account breed, age, temperament and activity level of the individual dog. When changing foods please introduce gradually over a period of two weeks. Always ensure fresh, clean water is available.

KIBBLE SIZE

- Optimal kibble size and shape for adult dogs.
- A crunchy kibble texture.

Grain Free Range

The **Grain Free** range includes a selection of the finest freshly prepared nutritious and highly digestible animal protein sources.

The range has been formulated with sweet potato and potato to be suitable for those with grain intolerance/sensitivity.

Why Duck?

Duck is a **lean, nutrient-dense** source of protein and also provides nutrients such as iron, selenium, B vitamins and zinc which contribute towards general health and wellbeing.

Why Orange?

Orange is well-known for being **rich** in vitamin C, an anti-oxidant which can **help** support the immune system.
