

### **Daily Care & Routine**

Our experienced staff provide daily care tailored to your cat's personality and routine:

- Fresh food and water daily
- Clean bedding and litter
- Daily health and wellbeing checks
- Individual attention and monitoring

We aim to keep your cat's routine as close to home as possible, helping them feel calm, secure, and settled during their stay.

### **Feeding & Medication**

We stock a range of well-known cat food brands to suit most dietary needs.

- Cats on veterinary or prescription diets must have sufficient food supplied for their entire stay.
- We are happy to administer any medication your cat requires.
- Diabetic cats – We are able to accommodate diabetic cats however they are charged at a higher rate than general boarders. Before making the booking, please give us a call to discuss your cats current needs.

Unfortunately, we are unable to facilitate raw feeding.

### **Transport & Travel Tips**

Cats should be brought to the cattery in a suitable carrier or cage.

- If your cat is a nervous or poor traveller, covering the carrier with a dark cloth or blanket can have a calming effect.

## What You Need to Bring

### Required

- Vaccination card – We cannot board your cat without proof that annual boosters are up to date (this can be uploaded to your KennelBooker dashboard) or brought along on the day.
- Medication (if applicable) – If your cat requires medication, please bring enough to cover the entire stay.
- Veterinary/prescription food – Only required if your cat is on a specialist or veterinary diet. If your cat is particularly fussy, you are welcome to bring their usual food or favourite treats.

### Not Required

#### We provide:

- Bedding and blankets
- Toys
- Food bowls
- Litter trays and litter
- Standard food and treats

All bedding and blankets are washed daily. Because of this, we cannot guarantee the safe return of personal items. If you do wish to bring something from home, we recommend an old t-shirt, jumper, slippers, or another item you do not mind not being returned.
